

Dear Private Instructor,

As a senior in Lafayette’s SCAPA program, your student will be preparing for a SCAPA Senior Recital held in the spring. As the private instructor, we would like you and the student to select 1 solo work and 1 chamber work this semester to reach a performance level. It is our aim to come along side of what you are already doing with your private students and allow performance opportunities, both in front of peers and an audience. Students will participate in master classes held after school in preparation of their final performance. Additionally, a formal jury will be held in November. Students are to make this semester’s selection by September 9th. At the end of January, students and teachers will complete an additional Piece Selection Form. If you have any questions, please contact laura.fallon@lafayette.kyschools.us.

*Senior Jury Repertoire Selection Form
To be approved by private teacher and returned by September 9th.*
